Attention: Chief Young

July 17, 2017

The following equipment was provided to the Honolulu Fire Department in exchange for the Confined Space hose part number 484225. During the decision making process the previous mentioned hose was purchased thinking that it would meet the requirements of the Honolulu Fire Department. During field trials of this hose it was determined that the hose did not meet the requirements of the type of environments that the HFD Confined Space Rescue team would encounter.

Because MSA made the suggestion to purchase that hose without knowing the different environments that the HFD Confined Space Rescue team would encounter, MSA believes that it is our responsibility to correct this error.

MSA is providing the following at no cost to the Honolulu Fire Department to provide the highest level of safety to its members

Quantity	MSA Part Number	Description	List Price	Total
40	455022	50' section of Neoprene Hose	\$290.77 ea.	\$11,630.80
Total				\$11,630.80

Best Regards
